

May 2010

Dear Parent

It is difficult to believe that we are almost half way through the summer term already, and that we have reached Activities Week. The next few weeks are very busy and will, I am sure, go very quickly. In this May newsletter, there are various items I would like to bring to your attention.

Chairman's Letter

I enclose a copy of the Chairman's letter regarding information on the fees for Session 2010 – 2011.

Prizegiving 2010

Please find enclosed your invitation to the annual School Prizegiving on **Wednesday, 23 June**. To assist in planning, I would be grateful if you could respond as soon as possible. I would remind parents that attendance is compulsory for all pupils.

'Nearly New' Uniform Sale

The 'Nearly New' Uniform Sale will take place on **Saturday, 5 June** in the Mall – please see the enclosed flier.

Sports Days

All our boys and girls will be taking part in the forthcoming Sports Days – please note the following dates for your diaries. I do hope as many of you as possible will be able to attend.

Junior School Sports	Friday, 11 June
Senior School Sports	Friday, 18 June
Junior Start Sports	Monday, 21 June

CCF Inspection

Parents are warmly invited to attend the Annual Inspection will take place at Balgray on **Wednesday, 16 June** (1.40 – 3.00pm).

Balgray Opening

The official opening of the new Pavilion and refurbished stand at Balgray will take place on **Sunday, 5 September**. All the Kelvinside family will be invited to this event and you will receive further information in due course.

Text Books – Reminder

S4 – S6 Senior School pupils should return all text books no later than **Friday, 11 June**. Failure to do so will result in parents being billed for replacements.

Music Tuition/Speech & Drama

You will find enclosed pro-formas for Music Tuition and Speech & Drama – please complete and return these, as required, as soon as possible to enable planning for next session.

Northside Bus

We are proposing to include a new drop-off point at Milngavie Station for those children travelling home on the Northside Bus. Any parent interested in using this service should contact the School as soon as possible.

ECO Schools

Thanks to a generous donation from our PTA, we have purchased three seats for the Mirrlees Drive Garden. A compost bin has also been installed which will supply the garden with good compost over the next few years. However, we need some “donations” of grass to get it going, so when you next cut your lawn, please bring us some cuttings double-wrapped in a small poly bag, rather than throwing them away!

An ECO awareness poster competition was held recently. The winning entries are displayed on our new ECO noticeboard in the Mall, along with lots more info. ICT, Geography, Art, English and Biology are just some of the subject areas pupils can explore when they get interested in Eco matters.

The SQA exams roll on for S4 – S6, and there is Activities Week next week. Thereafter, the final weeks of term will no doubt just flash by.

I look forward to seeing you at the events in the latter stages of the term.

In the meantime, I hope you enjoy the May holiday weekend.

Kind regards.

Yours sincerely

Lesley A Douglas

Rector
