

27 October 2008

Dear Parent

Looking back at last October's mailshot, I see I remarked upon the continuing good weather----- and so into the second half of the Winter term!

You will find with this letter a number of enclosures. Firstly, a flier detailing our **Open Mornings 2008 on Thursday 6th and Tuesday 11th November**. Do please display it somewhere prominent (if you can) and please alert anyone you know who might be interested. Secondly, the detailed breakdown of **this year's SQA results**– though we haven't yet received the outcome of S4 appeals. **Summary statistics** are already on our Website.

Additionally, you will find **Session Dates for 2009-10**, an order form for the **2009 Kelvinside Academy School Calendar** – sample pictures from which will appear on the Website following its launch next week. There is, too, information about the forthcoming **Second Hand Sports Kit Sale** on 7th November, the **Ladies' Fashion Night** on Thursday 13th November and the **Senior School Show**, the musical masterpiece **Anything Goes**, which will run in the Gilchrist Theatre from 24th – 27th November. A booking form for the planned **Midsummer Ball** (15th June 2009) is also enclosed – following the success of the Balgray Ball in 2006, tables are rapidly being reserved. Finally, please note the latest **Senior School Guidance Faculty Newsletter** is already on the Website (under **mailshots**). This provides valuable insights into this crucial area of the School's operation. In particular, it offers further explanation of the workings of the Profile System in Senior School.

I would urge you to visit the **School Website** regularly: it is easy to navigate, very informative and kept fully up to date.

Kind regards

Yours sincerely

JOHN L BROADFOOT
Rector
