

December 2008

Dear Parent

In this, the final mailshot of 2008, you will find the Christmas edition of **Minerva**, a thank you from the **KA PTA** and a list of **Key Dates** for the Spring Term. Please note that the latest **Guidance Faculty Newsletter** is posted on the Website under Parent Information (click Mailshots). This is a highly informative document reflecting a very full agenda.

Enclosed also are order forms for two forthcoming fundraising events: the **Balgray Concert** in March and the **Midsummer Ball** in June. You will see in **Minerva** that building work on the new Sports Pavilion will begin in June and refurbishment of the old stand thereafter, a consequence of very successful fundraising to date.

So to the end of a long, busy and productive term. Much has been achieved across the diverse activities of the School and I think pupils and staff can enjoy a break which is richly deserved. I would thank parents, both those in the PTA and the wider parent body, for your contribution in helping us to do the best by your children.

May I wish you all a peaceful Christmas and, when it comes, a good New Year.

Kind Regards

JOHN L BROADFOOT
Rector
